
Covid-Certificate

A valid Covid-Certificate must be available each day before the event begins.

In case of an event lasting several days, a newly valid certificate must be presented once the test certificate has expired. The Antigen Test is valid 48h, the PCR Test is valid 72h. As agreed with the event organizer, every participant has to show their certificate on a daily basis.

The organizer is obliged to ensure prior the event that all participants have such a certificate. The hotel reserves the right not to admit guests without a certificate.

The Covid-Checks will be organized through the hotel. The hotel staff will scan the QR code on the certificate and check ID of each guests. Guests must therefore have an ID (ID card, driver's license, etc.) with them.

The Covid-Check desk is setup in Foyer Hub 2. The desk will be staffed for peak times (before event starting, breaks, etc.). If no person is at the desk, there is a sign and a phone number to call. Once a participant is checked, they will receive a bracelet.

The colour of the bracelet changes every day:

- 23.08.21 - black
- 24.08.21 - blue
- 25.08.21 - green
- 26.08.21 - red
- 27.08.21 - yellow
- 28.08.21 - black

Since the event is planned with a Covid-Check there are no special requirements in the event spaces.

Outside of the event spaces (in the foyer, staircases, elevators) it is mandatory to wear a face mask and keep distance.

Antigen test at our Studio 3

As requested by the event organizer, the hotel has arranged a daily covid test center for antigen tests. The tests will be carried out by the hotel cooperation partner Hirslanden. The event organizer will receive a link to send out to the participants to reserve their time slots at the testing center. Testing will be available from 9 am to 10 am on the following days:

- Wednesday, August 25th 2021
- Thursday, August 26th 2021
- Friday, August 27th 2021
- Saturday, August 28th 2021

There will be 20-25 slots per day.

Further information for guests arriving from abroad:

- An EU-Certificate is recognized and applicable, which must be brought along as a copy on the day of event

Further information for PCR-Test

- In case a new negative PCR-test-Certificate is required for your travel plans, it can be done, at the test center at the main station. Further details can be found at: <https://deintest.ch/>
- In case a new negative PCR-test-Certificate is required for your travel plans, it can be done, at the test center at Zurich Airport. Further details can be found at: <https://checkpoint.info/covid-testcenter-flughafen-zuerich>

Regulations of the Swiss Government

More information in regards to the Covid-19 are applicable at website of the Federal Office of Public Health.
